Dear Kartikeya,

On behalf of the Complementary Healthcare Council of Australia (CHC), I would like to thank you for your presentation at our 2013 National Conference, held in Sydney on 4th and 5th September.

This was our highest attended and most well received National Conference to date, in no small part due to the high calibre of speakers and the program on offer this year.

We very much appreciate the time you took to participate in the Conference and your considered insights into responding to consumer trends was of great benefit to Conference delegates. Feedback received so far has been extremely positive and we hope that you found your involvement as valuable and fulfilling as the delegates found your presentation.

As with last year we will be making secure copies of the presentations available to Conference delegates via the CHC website.

We are looking forward to continuing to grow and develop our National Conference and sincerely hope that you will be able to join us at the Conference and Industry Awards in 2014.

Thank you once again for participating in the CHC's 2013 National Conference, and we look forward to continuing our engagement with you.

Kind regards,

Carl Gibson
Chief Executive Officer
Complementary Healthcare Council of Australia

*Great to see you
at the Conference
